Approximately 33 SCACE members attended the Arthrex, Pendleton, SC site visit on November 13, 2019, for our Fall Drive-In. Site hosts from Arthrex included Operations and Human Resources personnel and we enjoyed an informational session and a tour of the facility, as well as a delicious lunch hosted by SCACE.

Arthrex is a global medical device company and leader in new product development and medical education in orthopedics. Headquartered in Naples, FL, Arthrex has a goal of 1 million square feet and 1000 employees in the next 10 years. They now own 226 acres in Anderson County and intend to hire primarily at the SC facility. Greatest areas of need for Arthrex will be Operations, Supply Chain and Machinists and they will continue to work with the community as well as Workforce/Industrial training and the Anderson University IT training program.

In new hires, they look for “trainability” and culture fit. Currently, they have a 10 scholarship/internship partnership with Clemson University, at least 1 Anderson University intern in HR, and a commitment to offering jobs to their interns.

Thank you to the 33 SCACE members who attend!

Upcoming SCACE Events- SAVE THE DATES!
